## **INSTRUCTIONAL PSYCHOLOGY AND TECHNOLOGY PROGRAM**

### APPLICATION FOR ADMISSION TO THE DOCTORAL PROGRAM

Please supply the information requested in order to present your situation accurately. A complete application includes the following six items:

1. A personal statement that describes your interest in the field of Instructional Psychology and Technology. See details on page 2.
2. A completed application form (attached).
3. A current vita (or resume) which includes:
  - a. Academic history (institution(s), major(s), degree(s), dates)
  - b. Organizations
  - c. Honors
  - d. Work history
  - e. Scholarly activities (publications, presentations, etc.)
4. Transcripts of previous college and university work.
5. Three letters of recommendation from individuals qualified to comment on your potential for academic success in the doctoral program.
6. GRE score report

International students must also submit a TOEFL score.

MAIL YOUR APPLICATION TO:  
Applications Officer  
Department of Educational Psychology  
820 Van Vleet Oval  
Norman, OK 73019-2041

## The Personal Statement

The personal statement is a very important component of your application to the doctoral program. Please address the following points in your personal statement:

1. Which aspects of instructional psychology and technology are of greatest interest to you? How did you arrive at this interest?
2. How do you anticipate using your background in the field of Instructional Psychology and Technology in the future? What sort of work settings do you have in mind and in what roles do you see yourself performing?
3. What are your scholarly or research interests in the field of Instructional Psychology and Technology as they relate to your pursuit of a research-based doctoral degree?
4. Why do you feel you will be successful in the doctoral program?
5. What competencies do you now hold in Instructional Psychology and Technology, or in areas which relate to it? Please be specific in describing your competencies. Competencies acquired as a result of experiences outside of formal training are equally acceptable as those learned in a formal program.
6. What limitations or obstacles do you think might cause difficulties in your pursuit of the doctoral degree?
